

Featured Boy Dinozzo (Mac's Dinozzo)

Dinozzo is 4 years old. No Cats. Dinozzo He came to us in May of this year. All the pups in his litter were named after characters from the NCIS show. He is an energetic and excitable guy, who is full of personality. He likes to stand and get loved on, during turn-out. He does well with the other boys in his group. Dinozzo is looking for a home without smaller pets and because he is lively, he may be better suited for a home with older or no children.
