Toby's K-9 Classes Dog Obedience Training for all breeds starting at the age of 5 months.

Training is done in a large, comfortable indoor room that has heating & air conditioning.

Classes are \$130 per 8 week session of weekly hour to 1 1/2 hour classes with a 5 dog limit per session. Both owner & pet participate in training. Training includes teaching your dog to respond to commands by voice, hand signals and to sound, with the use of a hand held clicker. Your and your dog will learn: Sit, down, stay, heeling with a loose leash, sit for greeting, catch treats, take it/leave it, fetch and give, drop it, come when called, go and sit a specified area, shake, roll over, crawl, spin. Taught on and off leash.

To answer your question: Yes, she has had greyhounds participate.
