

### **October Annual Membership Drive Month ☐ October 1-31st.**

Membership dollars support our ongoing adoption efforts, enable Greyhound Friends to transport, feed and shelter greyhounds awaiting adoptive home, as well as provide all necessary medical care. Membership dollars help pay for our educational programs aimed at increasing the public's awareness of the greyhound's peril and of the availability and desirability of greyhounds as pets. Please consider helping us help more greyhounds find homes with your membership dollars. All members receive a newly design 2015 Membership decal.
